Our chapter has many "Fun" raising events that are being planned to gain our chapter more face to face recognition within our local Realtor community and the community at large. Our goal is to be visible and viable, to help you build your business and to partner with new relationships in our local associations and with our customers. We highly encourage new "potential" affiliate members to come out and check us out, chat with us, mingle, then let's get ready to make some jingle.. Money is always a good motivator to make more satisfied repeat customers with, and we need to refer our businesses to each other! So GET READY!!!!!!

Our goal in 2010 is to use our enthusiasm to retain and increase membership by continuing to provide information and education that will improve our businesses. We will be starting the "5 after 5" networking hour in the coming month(s) at various establishments around Citrus County to encourage others who are curious about Women's Council, to come out and find out how much fun being a WCR member is or can be. We will announce these events in our newsletters on a month to month basis, information provided by our own # 1 Affiliate of the Year, Bob "Way to Go" Ringo!!

We invite you to bring a guest to our Business Resource Meetings, and we encourage you to get involved by volunteering to be on a committee. We need many new hands to help make this chapter an exciting and notable entity to receive referrals from others outside our area and to welcome new & established businesses to get to know us to make their businesses thrive and survive well into this new decade! I know for sure that YOU WILL MAKE NEW FRIENDS, or you will reacquaint yourself with old friends you haven't seen in a while, and you absolutely have the opportunity to make & build lifelong, lasting, VERY real relationships... and that my friends, is PRICELESS!!!

Sincerely yours,

Anita Fuss,
2010 President Nature Coast Chapter of Women's Council of Realtors
(Citrus & Hernando Counties)
